Gosha Tejasvi

Aspiring Cyber Security Engineer
Hyderabad, India
tejasvigosha@gmail.com | +91-7036342828 | LinkedIn

Professional Summary

Fresher in Cyber Security with foundational knowledge of web, mobile, and infrastructure security. Completed internships and hands-on projects in security monitoring, VAPT basics, and ethical hacking. Eager to learn and contribute to Cyber Security Audit and Operations.

Education

- B.E in Artificial Intelligence and Data Science - Stanley College of Engineering and Technology for Women (2021-25)   **CGPA: 8.85/10**

- Intermediate - Narayana Junior College (2019-2021)   **CGPA: 9.1/10**

- SSC - Nandini High School (2019)   **CGPA: 9.3/10**

Internships

Datail Technologies Private Limited – Trainee   Jan 2025 – Feb 2025
- Worked on basic data analysis and web scraping using Python and PostgreSQL.

Hewlett Packard Enterprise (HPE) – HPE CTY Intern   Jan 2024 – Jun 2024
- Implemented security observability and runtime enforcement using Kubernetes and Tetragon.

The Sparks Foundation – Data Science Intern   May 2023 – Jun 2023
- Built a simple student score prediction project using Python.

Projects

AI-Based Virtual Fitness Coach
- Real-time posture detection using MediaPipe and OpenCV.
- Learned AI-based evaluation and feedback mechanisms.

Student Record Management System (C Language)
- Built Admin/User modules to log student login/logout times.
- Learned secure data handling and basic system design.

Skills

- Cyber Security (Basics): Vulnerability Assessment , Ethical Hacking, Security Monitoring
- Programming: Python, Java, C
- Databases: MySQL, PostgreSQL
- Soft Skills: Communication, Teamwork, Problem Solving

Certifications

- Google Cyber Security Professional Certificate
- Google IT Automation with Python Professional Certificate
- NPTEL: Python for Data Science
- NPTEL: Programming in Java

Achievements

- Smart India Hackathon 2024 – College level selection
- Poster Presentation Winner at college level
- Innovative Engineers Award (2022) – College recognition
